**THE ASTON MARTIN DB2-4
DROP-HEAD COUPÉ**

An elegant new Drop-head Coupé with two extra occasional seats, generous luggage space externally accessible, curved screen, large rear window, external bumpers, and the same mechanical specification as the recently introduced DB2-4 Sports Saloon.

The large rear window panel can be fully opened to provide through ventilation.

LEFT 1 Occasional rear seats.

LEFT 2 Back rest of rear seats is folded down, making more generous still the luggage accommodation of the flat-floored compartment.
