

## CONTACTS AND SPECIAL NOTICE:

### PICTURES AND WORD MARK

The cars illustrated in this brochure may include additional options not featured in this brochure or only available at extra cost. The Bluetooth word mark and logos are owned by the Bluetooth SIG Inc and any use of such marks is under licence.

### UPDATES

Aston Martin Lagonda Limited is constantly seeking ways to improve the specification, design and production of its cars and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current products, options, accessories or specifications, nor does it constitute any offer for sale of any particular car, product, option, accessories and/or services or combination of the same.

This brochure is merely an indication of the kinds of Aston Martin products and services that may be available from time to time. The contents of this brochure represent Aston Martin Lagonda Limited's business as a whole. Text and photographs may relate to models, specifications, options, accessories and/or services that are not available for sale in some countries or which have been superseded or are otherwise no longer available.

### PERFORMANCE RESULTS

Performance results, fuel consumption figures and CO<sub>2</sub> emissions data quoted in this brochure are obtained under controlled test conditions (in accordance with applicable regulations) and may vary depending on the specification of the particular car, road and environmental conditions, and driving style. Tyre choice may also impact on performance results, fuel consumption, CO<sub>2</sub> emissions, ride comfort and handling.

Published figures should be used for comparison purposes only and verification should not be attempted on public roads. No guarantee is given express or implied of performance results, fuel consumption or CO<sub>2</sub> emissions.

Aston Martin Lagonda Limited strongly urges that all speed laws be obeyed and that safety belts be worn at all times.

The weight of the car will influence the level of CO<sub>2</sub> emitted and as a result, cars with higher levels of specification and factory fit options may emit higher levels of CO<sub>2</sub>. However, Vehicle Excise Duty is charged according to the weight and CO<sub>2</sub> emissions of the standard car, as published in this brochure.

All petrol engines are fitted with a catalytic converter.

### DISTRIBUTORS AND DEALERS

Distributors and dealers are not agents of Aston Martin Lagonda Limited and have absolutely no authority to bind Aston Martin Lagonda Limited by any express or implied undertaking or representation. Sales by dealers or agents are subject to their terms and conditions of sale.

### NO OFFER OF SALE

This brochure does not constitute any offer for the sale of any particular car, product, option, accessories and/or services or combination of the same. Aston Martin draws your attention to the fact it does not intend to make all cars for sale in all global markets and does not warrant that the cars are certified, available for sale, and/or suitable for, all global markets.

### COPYRIGHT AND OTHER INTELLECTUAL PROPERTY RIGHTS

This brochure and its contents are protected by various intellectual property rights, including, without limitation, copyright, design rights and trademarks, that are owned or licensed by Aston Martin Lagonda Limited. You may not copy or use this brochure or any of its contents for any commercial purpose without our prior written consent.

*Q The ultimate expression of self.*

*Drawing on the worlds of art, design and crafts, Q by Aston Martin is a unique personalisation service. Now, Q by Aston Martin Accessories shares this same ethos. Available to all Aston Martin owners, this exclusive selection of accessories adds a personal touch to your car, helping to make it quintessentially you.*

STYLE | *The art of expression.*

**The artist's vision. The engineer's precision. The craftsman's obsessive attention to detail.**

When every element is honed to perfection, something extraordinary happens. That's when true beauty is born, and when a far-off vision becomes reality. Aston Martin Accessories are a personal expression of individuality. As unique as the brushstrokes of a painting. As personal as one's choice of fine art.

More products available in Q.

**COLOURED BRAKE CALIPERS**

Coloured brake calipers available in red, blue, yellow, black, grey and silver.\* Other finishes available from Q by Aston Martin Accessories.

Available for: All models

**VALVE CAPS**

Set of four chrome-plated valve caps branded with the Aston Martin wings logo. It's the little things that count.

Available for: All models

**LOCKING WHEEL NUTS**

Set of four locking wheel nuts. Secure your wheels by replacing one standard nut on each wheel.

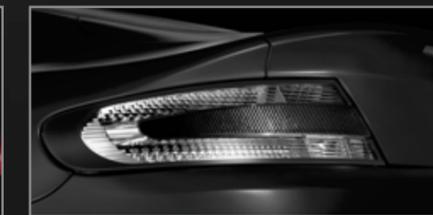

Available for: All models

**BLACK PACK**

While the subtle touches of our black pack option are tastefully discreet, they still have real visual impact. Replace certain chrome elements of your Aston Martin's exterior with sleek, black components, giving it a stronger sports edge and added stealth appeal. Window surround, exhaust tips, light bezels, the front grille – each one is designed to make a subtle yet striking statement.

Available for: V8 Vantage, V8 Vantage S, V12 Vantage

**CLEAR REAR LAMP KIT**

Give your V8 Vantage or DB9 a clean monochrome aesthetic by exchanging your red rear lamps for the crisp, modern look of clear lamps.

Available for: V8 Vantage & DB9

**RED REAR LAMP KIT**

Add a splash of colour with red rear lamps to complement or contrast your car's exterior paintwork. Match with red brake calipers for a striking visual combination.

Available for: V8 Vantage, V8 Vantage S, V12 Vantage, V12 Vantage S, DB9, Virage & DBS

\*Certain colours only available on selected models.

## *On exceptional form.*

Excellence is just a starting point. Perfection is our end goal. Each square millimetre of our carbon fibre components is laid without a trace of stretching or distortion. Thousands of carbon fibres are twisted together to form a yarn and woven into fabric. This is combined with an adhesive resin then moulded into shape with the most exacting attention to detail.

In the Vanquish, we make sure the weave of the carbon traverses the car diagonally, from left to right. While in the Vantage, it is laid to create an absolutely symmetrical V down the centre line of the car. It may be bordering on obsession. But that's what perfection means to us.

## The dark side...only lighter.

Incredibly strong. Extraordinarily light. The advanced technical performance of carbon fibre once made it the preserve of the aerospace industry. Today, we've brought the technology closer to the ground. Our stylish range of bodywork options give your Aston Martin added edge – and even greater presence on the road.

 More products available in Q.

### SIDE STRAKE

Add a flash of carbon with these lightweight side strakes. For added stealth appeal, combine with the black pack to completely de-chrome your exterior.

Available for: All Vantage, Virage, Vanquish & DB9\*

### MIRROR CAPS

Showcase the technical nature of this precision hand laid carbon fibre through the sculptural forms of our mirror caps.

Available for: All models

### REAR LAMP INFILLS

Create a sporting look to the rear of your Aston Martin with these 2x2 twill carbon fibre infills, designed to directly replace the standard painted rear lamp infill.

Not available for: Vanquish

### FRONT SPLITTER

Opt for the striking carbon front splitter that helps to channel air under the car, aiding stability and cornering at high speed.

Available for: V8 Vantage\*\*

### CARBON FIBRE REAR DIFFUSER

Enhance your Aston Martin's low profile and muscular stance with the carbon fibre rear diffuser.

Available for: V8 Vantage\*\*

\*From 13MY

\*\*Up to 12MY

*Little details. Big statement.*

**SILL KIT (N400 STYLE)**

Create an accentuated side profile with the N400 sill kit. The flared sills give your Vantage a lower and wider stance, adding to its dynamic appearance.

Available for: V8 Vantage & V12 Vantage

**HEX MESH LOWER GRILLE**

Distinctive hexagon patterned mesh lower front grille. Available in silver, titanium and black. Matches the rear grille in the V8 Vantage carbon fibre diffuser kit.

Available for: DB9, Virage, V8 Vantage\*

**BONNET MESH**

Amplify the aggressive look of your V12 Vantage with these race-inspired black bonnet meshes, designed to directly replace the existing bonnet louvres.

Available for: V12 Vantage & V12 Vantage S

SILVER TITANIUM BLACK

**MESH KITS**

Give your car a striking new look with mesh packs including side strake, bonnet, front and rear bumper mesh. Kit contents vary by model.

Available for: Virage, DB9\*

\*From 13MY

\*Up to 12MY

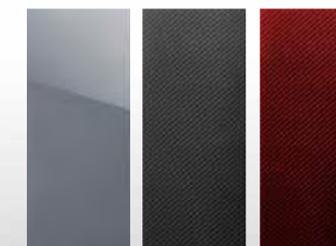

*A formidable first impression...  
and a lingering last one.*

Refined elegance. Commanding presence. Throughout the decades, our vehicles have been renowned for their head-turning beauty. Our bumper upgrades are designed to give your Aston Martin even more show-stopping gravitas. Expect to make a dramatic entrance. And an equally impressive exit.

**BUMPER UPGRADES**

Upgrade your original Vantage with the latest style of V8 S and V12 Vantage bumpers, available in a choice of three splitter and diffuser finishes.

## Upfront and personal.

The front grille is the face of your Aston Martin. Synonymous with the brand and its heritage, each model has its own distinctive shape and style. Still manufactured using the same techniques as seen on many of our Heritage models, each front grille is constructed of precision machined aluminium for a high quality look and finish.

### 5 BAR GRILLE

More aggressive styling and a sportier look.

Available for: DB9 & Virage

### 6 BAR GRILLE

A striking, yet classic, Aston Martin design.

Available for: All Vantage

### 8 BAR GRILLE

Taking timeless design cues from our heritage.

Available for: All Vantage

### CARBON GRILLE

As seen on V12 Vantage S, create a more aggressive and assertive look with the carbon fibre front grille, which also increases airflow to the engine and aids stability.

## Add a little drama to centre stage.

Audio entertainment. Travel information. Climate control. A console is not just a control panel, it's also the focal point of any Aston Martin's interior. With a range of finishes to choose from\*, it can be the ultimate personal expression. Lightweight carbon. Rich and deep coloured wood. High-gloss piano finish. Put your console firmly on the centre stage.

**LIGHTWEIGHT CARBON FIBRE GEARSHIFT SURROUND**

Replace your aluminium gearshift surround with lightweight carbon fibre for added sporting appeal. Meticulously produced using hand laid precision laminating techniques to help ensure the consistency of the weave and an exceptional finish.

Available for: All manual models

**GLASS SWITCHES**

Resonant of our unique sapphire crystal ECU, these jewel-like real glass switches elevate the captivating aesthetics of your centre console to give your interior environment the ultimate premium finish.

Available for: All Vantage\*, DB9, DBS, & Rapide

\*Check with your dealer for full model year applicability

**ALCANTARA® STEERING WHEEL**

Replace your steering wheel with the tactile, race-specification black Alcantara®. Provides enhanced grip and is available in three switch configurations: Bluetooth®, Cruise or Bluetooth® & Cruise.

Not available for: Vanquish

**ALCANTARA® GEARKNOB**

Enhance the thrill of driving with this twin stitched race-specification black Alcantara® manual gearknob and gaiter, designed to provide you with improved grip and a superior feel.

Available for: All manual models

**ALCANTARA® GEARKNOB WITH CARBON FIBRE TRIM**

Give your Alcantara® gearknob and gaiter even greater sporting appeal with the addition of a hand laid carbon fibre panel beneath the glass insert.

Available for: All manual models

**METAL GEARKNOB**

Machined from a solid piece of aluminium and polished to a beautiful satin finish, enjoy enhanced gearshift feel and driving connection with the metal gearknob.

Available for: All manual models

**DOOR CAPPINGS**

Match or contrast your centre console with hand laid veneer door inserts, available in wood finishes or Piano Black, to directly replace your existing leather door cappings.

Available for: DB9, Virage & DBS

**DOOR INSERTS**

Enhance the interior environment of your Rapide with hand laid veneer door inserts, available in the same high quality range of finishes as our centre consoles.

Available for: Rapide & Rapide S

**PERSONALISED SILL PLAQUES**

Personalise sill plaques with an engraved name or short message of your choice and an optional reproduction of your signature.

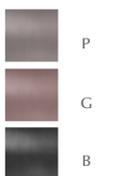

Available for: All models

**TREAD PLATES**

Precision machined aluminium tread plates available in striking (P) Platinum, (G) Graphite and (B) Black finishes. Sold as a pair.

Available for: All models

PERFORMANCE | *Precision meets obsession.*

**Perfectly crafted precision. Enduring performance.**

When something has been designed and made to the most exacting standards, it inspires ultimate confidence. Aston Martin Accessories are built with the same care and attention as the cars themselves. Every angle, finish and dimension is designed to complement your vehicle, and express your own personal vision.

## The light fantastic.

Lighter, tighter, more responsive. Our Sports Pack upgrade delivers optimised body control and front end grip without compromising ride quality or adding weight. Each element has been honed to work in perfect harmony. The result is an even more focused, agile and dynamic driving experience.

**1kg**

WEIGHT SAVING ON EACH WHEEL

**68%**

**6mm**

RIDE HEIGHT REDUCTION

### SPORTS PACK

Includes uprated front springs that are 68% stiffer than standard ones, new lightweight, five-spoke wheels that each deliver a 1kg weight saving and Bilstein aluminium dampers for a ride height that's reduced by 6mm.

Available for: DB9\* & V8 Vantage\*\*

\*Up to 11MY \*\*Up to 12MY

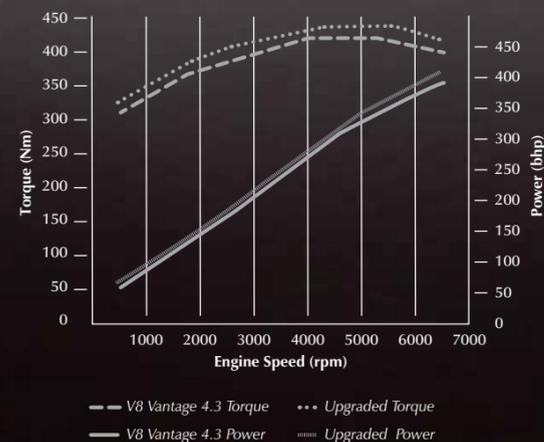

## The power to (out)perform.

Power. Precision. Perfection. With our performance pack upgrade your Aston Martin will deliver heightened acceleration and increased torque. A special valved airbox is incorporated into the engine – forcing air into the system at specific speeds, and delivering a dramatic surge in power. A crisper throttle response and quicker acceleration makes this option all about power. But add an optional sports exhaust system and the exceptional performance is enhanced further by a louder, more visceral, engine note.

**20bhp** INCREASED PEAK POWER  
**10Nm** INCREASED PEAK TORQUE

Power and torque curve

### V8 VANTAGE POWER UPGRADE

The V8 Vantage power upgrade creates an even more potent version of the already impressive 4.3 litre engine. Peak power is raised by 20bhp to 400bhp while peak torque is also increased by 10Nm to 420Nm. The revised engine management system also enables the engine to take full advantage of the latest high octane fuels, providing a crisper throttle response and stronger performance feel.

Available for: V8 Vantage 4.3

### SPORTS EXHAUSTS

Amplify the exhilarating driving experience so synonymous with Aston Martin by fitting one of our approved sports exhausts. Specifically designed to create an even more dynamic soundtrack, our engineers have developed a solution to optimise your driving pleasure. New engine calibration optimises valve opening points and maximises sound quality, whilst closing at a low load and cruising speed to minimise unwanted noise. The exhaust valves also stay open on the over-run to give a distinctive and different sports characteristic to the standard silencer.

Not available for: Vanquish, DBS & Rapide

## *The birth of one alloy.*

The story begins in one of the UK's most advanced aluminium wheel design and manufacturing facilities. Each Aston Martin wheel is forged at 400°C and under 8,000 tons of pressure to produce an incredibly strong alloy that's 30% lighter than the standard wheels. These are then coupled with tyres in very specific combinations designed to optimise your Aston Martin's precise handling, and to create a truly striking side profile. The next stage is to subject the wheels to exceptionally rigorous impact and vibration tests. Only once it has survived (and thrived) these most stringent procedures can it carry the Aston Martin marque.

*See page 8 for more information about our range of wheels, including the 19" 10-spoke lightweight wheel.*

## Ice cold conditions. Red hot performance.

Rain or shine. Snow or ice. Aston Martins are designed to deliver sure-footed handling whatever the weather. Our winter tyres are scientifically proven to improve traction and handling when the temperature plummets below 7°C. With a complete second set of winter wheels, you can really make the most of the changing, and challenging, seasons.

*When things get personal.*

*Q by Aston Martin Accessories*

*Sometimes inspiration lies in the finest of details. Other times it's only present in the big picture. Q by Aston Martin Accessories offer the most personal expression of individual style. A selection of materials, textures and colour schemes combine to perfectly complement your car, your vision and your lifestyle. Ownership is about far more than a name on a form. It's about truly making your Aston Martin your own.*

## *The finishing touch.*

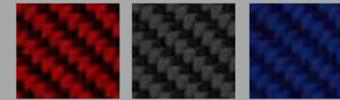

When something is honed to absolute perfection it deserves the finest finishing, which is why only the most highly trained eye is good enough to complete our striking carbon fibre accessories.

Hours of preparation, priming and meticulous surface finishing go into each individual piece. They are then subjected to 27 of the most gruelling performance trials, including the Gravelator – a machine that pummels the carbon fibre with grit, fired at high speed. Only after a total 1,600 hours of testing are our carbon fibre accessories given the seal of approval.

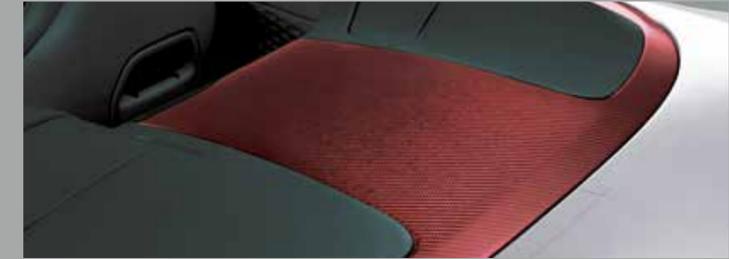

## *Heart and soul.*

An imposing sense of purpose. A striking aesthetic statement. Structurally, carbon fibre is superior to all known metallic structures in its durability and fatigue resistance. Visually, it is refined to accentuate the beautiful lines of our cars – either dramatically contrasting with existing colour schemes, or blending in as the subtlest of enhancements. Available for any replaceable carbon fibre part on Vantage and Vanquish, these stunning accessories can transform your Aston Martin into the pinnacle of personal expression.

## Tailored. Fashioned. Finessed.

The Q by Aston Martin range of luggage is ultimately practical, yet uniquely stylish. Choose from bespoke colour combinations that draw on the Q leather palette for the straps, badges, handles and body leather of these exclusive bags and cases. They fit safely and snugly in the boot and are available as a four- or six-piece set, or in our special Le Mans edition. Choose from our range of colours or simply match to the interior of your Aston Martin.

### LE MANS LUGGAGE SET

Taking inspiration from our heritage, this handmade-to-order luggage set was designed to commemorate and celebrate Aston Martin's historic victory at the 24 Hours of Le Mans in 1959 in the iconic DBR1. Expertly crafted from high quality Parliament Green leather with Sahara Tan leather straps, handles and detailing and with matching Parliament Green stitching. The set consists of a large holdall, small holdall, garment bag and vanity case.

## Art meets craft.

The pursuit of perfection is the preserve of master craftsmen, who have honed their skills over 50 years. Today, we draw on the finest traditions of British craftsmanship to produce leather Aston Martin accessories, such as our exclusive saddle leather floor mats and leather ECU pouches – at once timeless and definitively modern.

### SADDLE LEATHER FLOOR MATS

Made from premium English lambswool carpet, which features fine saddle leather edging and backing. The handcrafting process uses traditional methods for hand stitching, edging and embossing; the result being a unique product with a distinctly premium, natural look and feel.

#### TWO PIECE SET

Driver & front passenger floor mats.

CARE | *Preserve and protect.*

**Safeguarding every fine feature.**

The very best in automotive design. The painstaking attention of master craftsmen. An unwavering dedication to quality. For all that's gone into your Aston Martin, you'll want to keep it in showroom condition. Allow us to assist...

*Because perfection needs protection.*

**FLOOR MATS**

Premium quality wool carpet overmats with a hard-wearing and easy to clean soft pile surface. Edged in quality hide with a heavy duty non-slip backing, Aston Martin is embroidered on a discreet label set in the hide edging.

Available for: All models

**BOOT MATS**

Made from the same high quality wool carpet as our floor mats, the boot mats prominently feature an embroidered Aston Martin wings logo and are hide edged with a non-slip backing.

Available for: All models

**RAPIDE LOADSPACE COVER**

Maximise use of the loadspace in your Rapide. This branded black Alcantara® cover protects the rear seats and rear console when the seats are folded down. Supplied with storage bag.

Available for: All Rapide

**STONE GUARDS**

These subtle and unobtrusive stone guards have been designed to help protect your car's paintwork without detracting from its clean lines and aesthetic appeal.

Available for: V8 Vantage\*, DB9, Virage & Rapide

\*Up to 12MY

For those who seek perfection, every tiny detail counts. So to help protect and preserve the low-to-ground sections of your Aston Martin, we offer optional stone guards. These discreet additions minimise mud and stones being flicked up from the road, which means your Aston Martin maintains its pristine looks from the start of the journey, right to the end.

## Close care...and focused attention.

Maintain your Aston Martin's pristine condition with these exceptional accessories. Our reversing camera kit provides the driver with a 20:20 view from the rear of the car, making even the tightest parking manoeuvres simpler and more precise. For complete peace of mind, our battery conditioners are designed to keep your Aston Martin primed and in optimum shape at all times.

### BATTERY CONDITIONER

Engineered to suit the electronic architecture of your Aston Martin, the conditioner has been designed to monitor the car's battery voltage to maintain 100% efficiency and performance without fear of overcharge. The unit features a 'select and forget' function providing automated recovery from mains power loss.

Available for: All models

### SOLAR PANEL BATTERY CONDITIONER

Designed to fit on top of the dashboard inside the windscreen, the solar panel battery conditioner connects to the 12V auxiliary socket to help keep the car's battery in top condition when left in areas without connection to mains electricity. Supplied with a branded canvas storage bag.

Available for: All models

### REVERSING CAMERA KITS

Enjoy clearer visibility and peace of mind with our precision made 'zero-lux' camera. Its 'fish-eye' lens has a 170° horizontal viewing angle, all mounted discreetly above your rear number plate.

Available for: Vantage\*, DB9\*\* & Rapide\*\*\*

\*All except 12MY \*\*Up to 11MY \*\*\*Up to 11MY

## Keeping it under wraps.

For those rare occasions you don't want your Aston Martin to be seen.

Every Aston Martin is a thing of beauty. So to help keep your car in flawless showroom condition, we offer a range of protective covers for use inside and out in the elements. To prevent flat spots on the tyres, we've also developed tyre cushions, manufactured to the highest specifications. These mould to the shape of your tyres, cradling them and applying an even, protective pressure.

### OUTDOOR CAR COVERS

Semi-tailored car cover made from a breathable and water resistant fabric. Supplied with a storage bag.

Available for: All models

### ULTIMATE CAR COVERS

Weather resistant and breathable car cover made from knitted polyester fabric. The Teflon coating allows water to 'bead' and run off. Supplied with a storage bag and available in black or grey as standard, with alternative colours on request.

Available for: All models

### INDOOR CAR COVERS

Fully tailored car cover made in a soft cotton mix with a protective fleece lining. Yarn dyed to prevent fading, and fully washable. The breathable material allows moisture to evaporate. Supplied with a storage bag and available in a range of fabric and trim options.

Available for: All models

BLACK GREEN RED ROYAL BLUE WINE SILVER LIGHT GREY

More colours are available for our indoor car covers, samples of which can be viewed at your local dealership.

### TYRE CUSHIONS

High density foam cushions, branded with the Aston Martin logo, designed to help protect your tyres and reduce flat spots when parked. The cushions are capable of supporting 2.5 tonnes and tyres up to 500mm wide.

Available for: All models

*Because you might not be the only one to fall in love with your car...*

 **AUTOMATIC DRIVER RECOGNITION**  
Alerts the Secure Operating Centre immediately if your car is stolen, even if the thief has your keys.

 **GPS JAMMING DETECTION**  
Detects electronic blocking of GPS signals.

 **ENGINE START INHIBIT**  
Activated by the Secure Operating Centre with Police authorisation, to prevent the engine from being restarted.

 **TAMPER ALERT**  
Activated when the car battery is disconnected or discharged, or when the system wiring is cut.

 **TOW-AWAY ALERT**  
Triggered when motion is detected with the ignition switched off and the Driver Card is not present.

 **SYSTEM HEALTH CHECK**  
Regular automatic self-diagnostic check.

 **GSM JAMMING DETECTION**  
Detects electronic blocking of GSM signals.

 **TRANSPORT MODE**  
Set by the Secure Operating Centre when the car is being transported. This will prevent false alerts being generated.

 **THEFT HISTORY**  
Minute by minute theft log helps Police secure convictions.

 **PINPOINT GPS TRACKING**  
Accurate to within 10 metres.

 **INTERNATIONAL GSM COVERAGE**  
Roaming SIM card gives coverage across more than 180 countries.

 **EUROPEAN COVERAGE**  
Local language Police liaison and stolen vehicle recovery across Europe.

 **FORCED UNSET MODE**  
Set by the Secure Operating Centre when the car is being driven without the presence of a Driver Card.

 **INSURANCE ACCREDITATION**  
Conforms to the Thatcham accreditation for stolen vehicle tracking systems and is approved by major insurers.

 **VEHICLE SERVICING MODE**  
Set by the Secure Operating Centre when the car has been given to the Aston Martin Dealer for maintenance.

*Be prepared and be seen  
(in all the right places).*

**TYRE REPAIR KIT**

Aston Martin branded tyre repair kit containing 12V powered air compressor for keeping your tyres at optimum pressure, and a tyre sealant for emergency puncture repairs.

**FIRST AID KIT**

Packaged in a branded Aston Martin case, this kit contains a comprehensive range of essential first aid items.

**DRIVER TOURING PACK**

Packaged in a high quality Obsidian Black leather and Alcantara® lined case, the touring pack fits neatly into the boot of any Aston Martin and features an invaluable in-car kit, containing:

- LED torch (re-chargeable in-car using 12V socket)
- Additional compact warning triangle\*
- Two Aston Martin branded high-visibility jackets\*
- Obsidian Black leather embossed driving documents wallet
- Aston Martin branded cleaning cloth

\*Minimum legal requirements for driving in many countries.

**WATERLESS CLEAN & CARE KIT**

An eco-friendly and biodegradable system to remove dirt from exterior paintwork, wheels and mirrors leaving a clean, polished finish without the use of water. The kit contains:

- 1 x Bottle of waterless cleaning solution
- 4 x Microfibre cloths specific to the stages of application
- 2 x Pairs of protective gloves

**LEATHER CARE KIT**

Designed to help keep your interior in pristine condition, the kit contains:

- 225ml Leather protection cream
- 225ml Leather cleaner
- 118ml Leather softener
- 1 x Ink-away stick
- 10 x Application cloths
- 2 x Sponge applicator
- 1 x Dust wizard cloth
- 4 x Gloves

**FLASHLIGHT / TORCH**

Compact torch manufactured from brushed stainless steel and engraved with the Aston Martin wings. With a bright 12 lumens LED and crystal 'blue moon' lens, the torch charges in 5 hours to give up to 3 hours illumination and up to 1000 charge cycles. Designed to fit perfectly into the accessory socket of your Aston Martin.

*Aston Martin poise.  
With more rock and roll.*

**WIND DEFLECTOR**

Designed to reduce turbulence for both passenger and driver, the wind deflector is fitted in the rear compartment and can be folded down, or simply unlocked and removed when not in use.

Available for: All volante and roadster models

**BLUETOOTH® UPGRADE**

The ultimate in convenience for car audio entertainment, our Bluetooth® upgrade allows you to wirelessly stream music from your phone to your Aston Martin's stereo system. Developed to be compatible with the latest smartphones, it can also handle two phone calls at a time and is loaded with features to help you access your contacts, and music collection, with the utmost ease.

- Bluetooth® audio streaming (A2DP), allowing music to be played wirelessly
- Compatibility with the latest smartphones, including Apple, Android, Windows and BlackBerry\*
- Microphone gain and adjustable ringtone volume
- Access to voice recognition software
- Additional language support
- Two call handling
- Larger phonebook access – 2500 contacts
- Fast scroll through tone rotary controller
- Call list and phonebook synchronisation

**iPOD® INTEGRATION**

Developed by Aston Martin engineers to integrate iPod connectivity to cars without MP3 audio connection. The system offers you full control from the centre console and via the steering wheel, with playback and charging for all current models of iPod and iPhone.\*\*
