

ASTON MARTIN

DB9  
CARBON  
EDITION

---

# THE DARK ART OF SEDUCTION

---

Confidence manifests itself in many ways, but few so striking as the DB9 Carbon Edition. Based upon the world's most elegant sporting Grand Tourer, this exclusive special edition DB9 is a monochrome masterpiece.

Born of a bold and pure design concept where minimal adornment achieves maximum impact, the Carbon Edition exudes latent power and has visual magnetism that's impossible to resist.

Offered in a choice of classic Carbon Black II or contemporary Stratus White paintwork and available in Coupe or Volante form, the DB9 Carbon Edition is built to a unique specification defined by extensive dark Carbon-Fibre detailing throughout the exterior and interior.

These expertly integrated features discreetly underscore the inherent potency and sporting credentials of DB9, fusing simplicity and understatement to compelling effect.

---

As the world's definitive sporting GT the DB9 pairs a howling 6.0ltr, 510bhp V12 engine with the composure of a perfectly balanced chassis. Creating an intoxicating blend of timeless style, indulgent luxury, supreme refinement and rousing 180+mph performance, it is an effortlessly charismatic machine. The unique specification of the DB9 Carbon Edition ensures enviable exclusivity can be added to this memorable list of attributes.

Gaze at its flawless form and you'll see the front splitter, mirror caps, side strake, rear lamp infills and rear diffuser are all fashioned from this beautiful, lightweight material. Black intake meshes, 'Graphitic' exhaust tailpipes and 20in forged 10-spoke satin black diamond-turned wheels (behind which sit immensely powerful carbon ceramic brakes) intensify the dark theme, while optional Carbon-Fibre door handles complete the look and allow further personalisation.

---

MAKE A STATEMENT  
WITHOUT SAYING A WORD

---

Everywhere you look the DB9 Carbon Edition has delightful detailing. The sleek lines of the Carbon-Fibre side strake and Carbon-Fibre splitter artfully combine form and function, while the satin black diamond turned 20in alloy wheels are discreet pieces of jewellery.

---

Combining timeless lines with a contemporary colour scheme gives the DB9 Carbon Edition tremendous presence. Nothing detracts from the dark theme including the window surrounds, which are stealthy black instead of their usual bright chrome finish.

The DB9 Carbon Edition uses modern materials and finishes to great effect; the smooth sheen of the Carbon-Fibre tail light infills and aerodynamic diffuser contrasting beautifully with the 'Graphitic' tailpipes.

Like all Aston Martins the DB9 Carbon Edition's interior is a celebration of the finest design, materials and craftsmanship. Swathes of supple Obsidian Black leather upholstery, Pure Black Alcantara headlining and sumptuous black carpet create a luxurious cockpit filled with rich aromas and indulgent tactility. The use of contrast stitching and a choice of accent colours provide the opportunity to add small but vivid flashes of colour.

The sheen and exposed weave of the Carbon-Fibre fascia and door pulls continues the inky exterior theme, together with Black Anodised rotary controls, high-gloss Piano Black features including the air vent surrounds and transmission plate, plus black finish to the airbag ring, pedals and treadplates. Interior options include Carbon-Fibre gearshift paddles while outside a choice of brake caliper colours enables you to continue the monochrome scheme or add a splash of drama.

**Above**  
Sparing use of a bright accent colour in key areas - such as the tips of the gearshift paddles - creates impactful and eye-catching details that stand out from the dark colour-coded elements of the interior.

Defined by the dramatic swoop of Carbon-Fibre fascia and complimented by an inspired combination of tactile materials, including soft Obsidian Black leather for the dashboard and cool Black Anodised rotary switches, the DB9 Carbon Edition's interior is a triumph. Stitching in a choice of co-ordinated black or contrasting silver, red or yellow thread offers total cohesion or a vibrant spark of colour.

Welcome to the heart of darkness.

BANG & OLUFSEN

---

QUIET STRENGTH  
BROODING CHARISMA

---

A lesson in quiet strength and brooding style the DB9 Carbon Edition conceals immense performance beneath its lithe bodywork. Enduring and unapologetic it is the irrepressible antidote to excess.

---

SIMMERING POWER  
COMMANDING PRESENCE

---

Whether you desire stealthy cohesion with Carbon Black II paintwork or a dazzling contrast against Stratus White, the Carbon Edition's deft application of a dark design theme using discreet Carbon-Fibre detailing, creates an aesthetic rooted in the noble ethos of less is more.

05

05

01 The side strake is an iconic design element common to all Aston Martins. By fashioning it from Carbon-Fibre instead of chrome the DB9 Carbon Edition gives this unmistakable feature a modern twist.

02 Should you desire an added element of detailing the DB9 Carbon Edition's flush-fitting door handles can be specified in Carbon-Fibre as an option.

03 With their organic lines and silken Black Anodised finish the grilles concealing the B&O speakers are perfectly integrated design features; functional and beautiful like the rest of the car.

04 In place of the regular body colour lamp infills the DB9 Carbon Edition tail lights feature fillets of Carbon-Fibre, completing a discreet yet distinctive look that sets this special edition DB9 apart.

05 Special sill plaques made from machined Carbon-Fibre and bearing the Carbon Edition logo denote this highly desirable and exclusive special edition DB9.

# VEHICLE SPECIFICATION

## Body

- Two-door Coupe/Volante body style with 2+2 seating
- Extruded bonded aluminium VH structure
- Aluminium and composite body panels
- Extruded aluminium door side-impact beams
- Single bi-xenon headlamps with integrated LED side lights & direction indicators
- Clear LED rear lamps

## Engine

- All-alloy, independent quad variable camshaft timing, 48-valve, 5,935 cc V12
- Compression ratio 11.0:1
- Front-mid mounted engine, rear-wheel drive
- Fully catalysed stainless steel exhaust system with active bypass valves
- Max power: 517 PS (510 bhp) at 6,500 rpm
- Max torque: 620 Nm (457 lb ft) at 5,500 rpm
- Acceleration: 0-100 km/h (0-62 mph) in 4.6 seconds
- Max speed: 295 km/h (183 mph)
- Fuel economy:
  - Urban 13.1 mpg (21.6 l/100 km)
  - Extra-Urban 28.3 mpg (10 l/100 km)
  - Combined 19.8 mpg (14.3 l/100 km)
- CO<sub>2</sub> emissions: 333g/km

## Transmission

- Rear mid-mounted 'Touchtronic II' six-speed transmission with electronic shift-by-wire control system
- Alloy torque tube with Carbon-Fibre propeller shaft
- Limited-slip differential
- Final drive ratio 3.46:1

## Wheels & Tyres

- Front: 8.5J x 20" Pirelli P Zero 245/35 ZR20
- Rear: 11J x 20" Pirelli P Zero 295/30 ZR20

## Steering

- Rack and pinion, servotronic speed-sensitive power-assisted steering, 3.0 turns lock-to-lock
- Column tilt and reach adjustment

## Suspension

- Lightweight aluminium front subframe with hollow castings
- Front: Independent double wishbone incorporating anti-dive geometry, coil springs, anti-roll bar and monotube adaptive dampers
- Rear: Independent double wishbones with anti-squat and anti-lift geometry, coil springs, anti-roll bar and monotube adaptive dampers
- Three-stage adjustable Adaptive Damping System (ADS) with Normal, Sport and Track modes

## Brakes

- Front: ventilated carbon ceramic discs, 398 mm diameter with six-piston monobloc calipers
- Rear: ventilated carbon ceramic discs, 360 mm diameter with four-piston monobloc calipers
- Dynamic Stability Control (DSC) with track mode
- Anti-lock Braking System (ABS)
- Electronic Brakeforce Distribution (EBD)
- Emergency Brake Assist (EBA)
- Traction control (TC)

## Dimensions

- Length: 720 mm (inc. front number plate plinth)
- Wheelbase: 2470 mm
- Width: 2061 mm (inc. mirrors)
- Fuel tank capacity: 78 litres (17.2 Imp.galls, 20.6 US galls)
- Height: 1282 mm
- Weight: 1785 kg

## Standard exterior specification

- *Carbon Black II* (Carbon Black) or *Stratus White* (Carbon White) exterior paint colour only
- 20" forged 10-spoke Satin Black diamond turned wheels
- Carbon exterior pack (splitter, diffuser, mirror caps and arms)
- Carbon-Fibre side strake
- Black meshes (front bumper and side strake)
- Black window surround
- Graphitic tailpipe
- Silver bonnet louvres
- Brake caliper colours – Black, grey, red or yellow (No cost option)

## In-car entertainment

- 700W Aston Martin Premium Audio System with 'Dolby Pro Logic II' including 6-CD Autochanger
- Integrated Apple iPod Connector
- USB Connector with Waveform Audio Format (WAF), Windows Media Audio (WMA) and MPEG (MP3) Audio File Compatibility
- 3.5mm Auxiliary Input Socket

## Standard interior specification

- *Obsidian Black* – Full-Grain Leather Interior
- Black or 'match to' caliper colour stitching
- Warm charcoal seatbelts
- Black or 'match to' caliper colour headrest stitching (DB9 or Aston Martin Wings)
- Carbon-Fibre fascia trim
- Carbon-Fibre door pulls with black handles

- Machined Carbon-Fibre sill plaques with Carbon Black/White logo
- Black leather Sports Steering Wheel
- Black paddles with Black or 'match to' caliper leather tips
- Black centre console rotaries
- Black pedals
- Piano Black air vent surrounds
- Piano Black centre stack and centre plate
- Black side sill treadplates
- Black rokona headlining – Volante only

- Black or 'match to' caliper headliner stitching
- Black carpet with Black or 'match to' caliper binding colour
- Electrically Adjustable Sports Seats
- Heated Front Seats
- Memory Seats and Exterior Mirrors (Three Positions)
- Powerfold Exterior Heated Mirrors
- Heated Rear Screen
- Automatic Temperature Control
- Organic Electroluminescent (OEL) Displays
- Trip Computer
- Cruise Control
- Bluetooth Telephone Preparation
- Satellite Navigation System

- Auto-Dimming Interior Rear-View Mirror
- Front and Rear Parking Sensors
- Tyre Pressure Monitoring System
- Alarm and Immobiliser
- Remote-Control Central Door Locking and Boot Release
- Glass ECU
- Tracking Device – UK only <sup>3</sup>
- LED Map-Reading Lights
- Boot-Mounted Umbrella
- Lamy Pen and Pen Holder

## Options

- Leather headlining (Coupe only)
- De-badge
- Delete Parking sensors
- Carbon Fibre Door Handles
- High spec alarm
- Carbon Fibre Paddleshift
- Alcantara steering wheel (Coupe only)
- Reversing Camera <sup>1</sup>
- B&O 1000W Sound System
- Garage Door Opener
- Second Glass key
- Carbon Fibre Lightweight seat <sup>1,2</sup>
- Trinket Stowage
- First Aid Kit

- <sup>1</sup> Not available in all markets.
- <sup>2</sup> Does not include side airbags or passenger airbag cut-off switch.
- <sup>3</sup> Complies with UK Thatcham Category 5 requirements. Excludes subscription. Standard in UK.

## Pictures & word mark

The cars illustrated in this brochure may include additional options not featured in this brochure or that are only available at extra cost. The Bluetooth word mark and logos are owned by the Bluetooth SIG Inc and any use of such marks is under licence.

## Updates

Aston Martin Lagonda Limited is constantly seeking ways to improve the specification, design and production of its cars and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current products, options, accessories or specifications, nor does it constitute any offer for sale of any particular car, product, option, accessories and/or services or combination of the same. This brochure is merely an indication of the kinds of Aston Martin products and services which may be available from time to time. The contents of this brochure represent Aston Martin Lagonda Limited's business as a whole. Text and photographs may relate to models, specifications, options, accessories and/or services that are not available for sale in some countries or which have been superceded or are otherwise no longer available.

## Performance results

Performance results, fuel consumption figures and CO<sub>2</sub> emissions data quoted in this brochure are obtained under controlled test conditions (in accordance with applicable regulations) and may vary depending on the specification of the particular car, road and environmental conditions and driving style. Tyre choice may also impact on performance results, fuel consumption, CO<sub>2</sub> emissions, ride comfort and handling. Published figures should be used for comparison purposes only and verification should not be attempted on public roads. No guarantee is given express or implied of performance results, fuel consumption or CO<sub>2</sub> emissions.

Aston Martin Lagonda Limited strongly urges that all speed laws be obeyed and that safety belts be worn at all times. The weight of the car will influence the level of CO<sub>2</sub> emitted and as a result, cars with higher levels of specification and factory fit options may emit higher levels of CO<sub>2</sub>. However, Vehicle Excise Duty is charged according to the weight of and CO<sub>2</sub> emissions of the standard car, as published in this brochure. All petrol engines are fitted with a catalytic converter.
